Attached for your use is a spreadsheet that lists the local education agencies (LEAs) in your State that have received a REAP Small, Rural School Achievement (SRSA) grant award in either or both of fiscal years (FY) 2013 and 2014, and the unspent balance remaining for each grant. There is a separate tab at the bottom left of the spreadsheet for each fiscal year.

LEAs in your State that have remaining FY 2013 balances need to obligate those grant monies by September 30, 2015 and liquidate all obligated funds by December 30, 2015. For the FY 2014 SRSA grant awards, grantees need to obligate award funds by September 30, 2016 and liquidate those obligated funds by December 30, 2016.

Thank you in advance for your efforts in helping us ensure that SRSA grantees in your State are making timely use of their grant funds. Should you or your LEAs need additional information or assistance, please contact the REAP Team program officer assigned to your State. A list of REAP program officers and their State assignments is available on the SRSA Web site at:

Thanks,

The REAP Team
