NEW YORK STATE EDUCATION DEPARTMENT

Title: Intensive Teacher Institute in Bilingual Special Education (ITI-BSE)

The New York State Education Department (NYSED) Office of Special Education is seeking proposals to establish an Intensive Teacher Institute in Bilingual Special Education (ITI-BSE) to address staff shortages in bilingual special education and related service areas through administration of a tuition assistance program involving coordination with NYSED, university-level training programs and LEAs. The purposes of the ITI-BSE are to:

- manage a tuition assistance program for undergraduate and graduate students pursuing certification to provide services to bilingual students with disabilities in New York State (NYS);
- provide instructional support to colleges and universities that offer programs leading to BSE certification;
- engage in outreach to the public, school districts and approved private programs to identify qualified candidates;
- provide technical assistance to candidates in the areas of certification, coursework requirements, and ITI-BSE requirements; and
- report to NYSED on candidates' progress, program completion, completion of service commitments and certification rates.

Eligible bidders include boards of cooperative educational services (BOCES), institutions of higher education (IHEs), not-for-profit and for profit organizations.

Subcontracting will be limited to thirty percent (30%) of the annual contract budget. Subcontracting is defined as non-employee direct personal services and related incidental expenses, including travel. Bidders are required to comply with NYSED's Minority and Women-Owned Business Enterprises (M/WBE) participation goals for this RFP through one of three methods. Compliance methods are discussed in detail in the Minority/Women-Owned Business Enterprise (M/WBE) Participation Goals section below.

NYSED intends to award one (1) contract with a term of five (5) years, beginning on October 1, 2017 and ending on September 30, 2022 subject to continued availability of funds for such purposes.

Service Area: New York State. The ITI-BSE will provide services throughout NYS. The distribution of services is dependent upon the needs of NYSED with respect to addressing personnel shortages.

1.) Description of Services to be Performed

Work Statement and Specifications

This section of the bid package details the services and products to be acquired. Please note that the contract process also includes general New York State administrative terms and conditions, as well as terms and conditions required by New York State law. These terms and conditions address issues related to both the submission of bids and any subsequent contract; they are included separately in this bid package for your information. Please review all terms and conditions.

Bidders must factor in a fixed cost of \$584,000 in each year of the contract for Tuition Assistance. The fixed amount for Tuition Assistance has been entered in the budget forms located in **5.) Submission Documents**. Bidders must describe and provide a rationale for how Tuition Assistance funds will be awarded to participants (e.g., six to nine credit hours per year for 100 candidates enrolled part-time in graduate programs and up to \$1,200 per semester for 10 full-time undergraduate candidates).

Bidders must also factor in a fixed amount of \$30,000 per year for Instructional Support. Instructional Support monies paid to IHEs fund the development of new curricular offerings and allow IHEs to offer required courses on a frequent basis by offsetting minimum enrollment requirements set by IHEs. Payments to the contractor will be based upon actual expenses incurred and approved by NYSED. Bidders must describe how Instructional Support funds will be awarded to IHEs and provide a rationale for how this funding will allow IHEs to build capacity (e.g., by hiring adjunct faculty who have specific expertise) and offer courses to participants on a more frequent basis, so participants can complete required courses in a timely manner.

Mandatory Requirements:

The eligible bidder must agree to the Mandatory Requirements found below and must submit the Mandatory Requirements Certification Form located in **5.) Submission Documents**, signed by an authorized person.

Mandatory Submission Requirements:

- The staffing plan must include:
 - a resume for the individual who will serve as a 0.1 FTE Project Director/Coordinator; and
 - resumes or job descriptions for all additional professional staff.

Mandatory Staffing Requirements:

- Contract funds will be used to support a minimum of one full-time (1.0 FTE) Bilingual Professional Development Specialist available on a 12-month basis and one part-time (0.1 FTE) Project Director/Coordinator available on a 12-month basis. No more than two individuals may fill the Bilingual Professional Development Specialist position. A Bilingual Professional Development Specialist working at .9 FTE or less may also fill the Project Director/Coordinator position at .1 FTE as long as the minimum qualifications for both positions are met.

- The Bilingual Professional Development Specialist must meet the following minimum qualifications: Master's degree in education, special education, reading, school psychology, speech-language pathology, counseling or social work **and** three years of experience assisting individuals in obtaining certification in the following areas: teaching students with disabilities, teaching students with speech and language disabilities, and school psychology; bilingual extensions to these certificates; and teaching English to speakers of other languages (TESOL).
- The Project Director/Coordinator must meet the following minimum qualifications: at least three years of experience in educational administration or supervision and a master's degree in education, special education, reading, school psychology, speech-language pathology, counseling or social work. The Project Director/Coordinator must be identified in the proposal.

Minority and Women-Owned Business Enterprise (M/WBE) Participation Goals Pursuant to Article 15-A of the New York State Executive Law

For purposes of this procurement, NYS Education Department hereby establishes an overall goal of 5% of the total contract amount for M/WBE participation, 3% for Minority-Owned Business Enterprises ("MBE") participation and 2% for Women-Owned Business Enterprises ("WBE") participation based on the current availability of qualified MBEs and WBEs. All bidders must document good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of this Contract. Minority and Women-Owned Business Enterprise (M/WBE) participation includes any and all services, materials or supplies purchased from New York State certified minority and women-owned firms. Utilization of certified Minority and Women-Owned firms will be applied toward the goals. Bidders can achieve compliance with NYSED's Minority and Women-Owned Business Enterprise goals as described below.

ACHIEVE FULL COMPLIANCE WITH PARTICIPATION GOALS (PREFERRED)

Bidders should submit subcontracting/supplier forms that meet or exceed NYSED's participation goals for this procurement. All subcontracting/supplier forms must be submitted with the bid proposal. In addition, bidders must complete and submit M/WBE 100: Utilization Plan, M/WBE 102: Notice of Intent to Participate and EEO 100: Staffing Plan. Instructions and copies of these forms are located in the Submission Documents. All firms utilized must be certified with the NYS Division of Minority and Women Business Development before beginning any work on this contract. For additional information and a listing of currently certified M/WBEs, see the [NYS Directory of Certified Minority and Women-Owned Business Enterprises](#).

The contact person on M/WBE matters is available throughout the application and procurement process to assist bidders in meeting the M/WBE goals. NYSED reserves the right to approve the addition or deletion of subcontractors or suppliers to enable bidders to comply with the M/WBE goals, provided such addition or deletion does not impact the technical proposal and/or increase the total cost of the bid proposal.

DOCUMENTATION OF GOOD FAITH EFFORTS

Bidders must undertake a good faith effort to solicit NYS Certified M/WBE firms as subcontractors and/or suppliers in fulfillment of this procurement. Means of solicitation may include but are not limited to: advertisements in minority centered publications; solicitation

of vendors found in the [NYS Directory of Certified Minority and Women-Owned Business Enterprises](#); and the solicitation of minority and women-oriented trade and labor

organizations. Bidders will be required to certify and attest to their good faith efforts by completing NYSED's Certification of Good Faith Efforts (Form M/WBE 105). See the M/WBE Submission Documents for detailed examples of and required forms to document good faith efforts.

NYSED reserves the right to reject any bid for failure to document "good faith efforts" to comply with the stated M/WBE goals.

IN THE EVENT BIDDERS CANNOT COMPLY WITH NYSED DESIGNATED PARTICIPATION GOALS, SAID BIDDERS MUST DOCUMENT THEIR "GOOD FAITH EFFORTS" TO COMPLY AND SUBMIT ONE OF THE FOLLOWING REQUESTS:

REQUEST A PARTIAL WAIVER OF PARTICIPATION GOALS

In order to request a partial waiver of the participation goals for this procurement, Bidders must provide documentation of their good faith efforts to obtain the use of certified M/WBE enterprises along with their bid proposal forms. Bidders must also complete and submit M/WBE 100: Utilization Plan, M/WBE 102: Notice of Intent to Participate and EEO 100: Staffing Plan. The M/WBE Coordinator is available throughout the procurement process to assist in all areas of M/WBE compliance.

REQUEST A COMPLETE WAIVER OF PARTICIPATION GOALS

In order to request a complete waiver of the participation goals for this procurement, Bidders must provide documentation of their Good Faith Efforts to obtain the use of certified M/WBE enterprises along with their bid proposal forms. Bidders will be required to certify and attest to their good faith efforts. Bidders should submit a request for a complete waiver on Form M/WBE 101 and document their Good Faith Efforts (Form M/WBE 105) at the same time as they submit their bid. The M/WBE Coordinator is available throughout the procurement process to assist in all areas of M/WBE compliance.

All payments to Minority and Women-Owned Business Enterprise subcontractor(s) must be reported to NYSED M/WBE Program Unit using M/WBE 103 Quarterly M/WBE Compliance Report. This report must be submitted on a quarterly basis and can be found at [M/WBE Forms and Compliance Forms](#)

Service-Disabled Veteran-Owned Business (SDVOB) Participation Goals Pursuant to Article 17-B of New York State Executive Law

Article 17-B of Executive Law was enacted to ensure that certified SDVOBs are provided opportunities for meaningful participation in the performance of state contracts. To this end, NYSED strongly encourages bidders to make maximum possible use of SDVOBs as subcontractors and/or suppliers under this contract, consistent with the requirements of State Finance Law and State procurement guidelines, as well as NYSED policies and procedures. Bidders should consider fulfilling the requirements of this contract through the participation of SDVOBs at a rate of 6%. For additional information about this program, including a list of SDVOBs, please visit the [Office of General Services, Division of Service-Disabled Veterans' Business Development website](#)

Background

Historically, statewide data collected by NYSED reveals chronic shortages of bilingual special education teachers, bilingual speech providers, and bilingual school psychologists in many regions of the State, with the most acute shortages in the New York City (NYC) region. In 2014-15, districts throughout NYS reported that 25.5 percent of their bilingual special education (BSE) positions in grades K through 12 were unfilled or not appropriately filled; NYC and the Big Four (Buffalo, Rochester, Syracuse, and Yonkers) reported 26 and 26.6 percent of their BSE positions were unfilled or not appropriately filled (Teacher Shortage Area Designations for School Year 2016-2017, NYSED Office of Higher Education, December 2015).

THE INTENSIVE TEACHER INSTITUTE

NYSED has funded an ITI-BSE since 1994. The Institute provides tuition assistance to individuals seeking certification in designated personnel shortage areas. The current personnel shortage categories designated by NYSED for assistance from the ITI-BSE are:

- Bilingual teacher of special education/teacher of students with disabilities,
- Bilingual teacher of students with speech and language disabilities,
- Bilingual school psychologist,
- Bilingual school counselor,
- Bilingual social worker, and
- TESOL (for individuals who already hold certification in special education/teacher of students with disabilities).

The ITI-BSE supports undergraduate and graduate program candidates. Most candidates are employed in school or preschool programs. Undergraduate level candidates may be enrolled as full-time or part-time students in university personnel preparation programs leading to degrees and initial certification in the approved personnel categories. Undergraduate candidates who are not employed in a school or preschool program are recommended for participation in the ITI-BSE program by their IHEs and they must have completed 60 credit hours towards a degree leading to certification with a bilingual extension.

Graduate school level candidates and paraprofessionals enrolled in undergraduate degree programs are recommended by school districts and preschool programs with the understanding that candidates

RFP #17-017

will complete a service commitment with the school district or preschool upon completion of coursework leading to certification in the designated personnel categories. Candidates are

responsible for completing all applications required by the IHE for admission into registered university personnel preparation programs approved for tuition assistance by the ITI-BSE. Upon admission, candidates pursue a previously approved sequence of courses and, if successful, are recommended for certification by the IHE. Candidates in the bilingual school psychology, counseling and social work areas will only be admitted at the graduate level.

The ITI-BSE provides tuition assistance to candidates enrolled in IHE programs that use Department-approved curricula that lead to initial certification and/or bilingual education extensions. ITI-BSE makes tuition payments directly to the university program. ITI-BSE also provides instructional support monies to IHEs to fund the development of new curricular offerings and to offer courses on a frequent basis by offsetting minimum enrollment requirements set by IHEs. The Institute conducts alignment reviews on university program offerings to ensure compliance with NYSED-approved Institute curricula and works with NYSED to facilitate the registration of programs in shortage areas.

The ITI-BSE plays an essential role in activities related to the preparation of qualified bilingual special education personnel needed to address personnel shortages. The Institute works collaboratively with the NYC Department of Education (DOE), other local educational agencies (LEAs) and approved private schools to ensure the efficiency of the tuition assistance program. Although a major portion of the Institute's activities are focused on the NYC area, the Institute is also charged with providing tuition assistance to candidates statewide. Statewide distribution of funds is dependent upon the number of applications received and the needs of NYSED with respect to addressing shortages in targeted areas.

Collaboration with LEAs, NYSED's Offices of College and University Evaluation and Teaching Initiatives, and the NYC Preschool Provider Bilingual/English as a New Language Professional Development Center

The successful contractor will establish a collaborative working relationship with LEAs, including the NYCDOE; NYSED's Offices of College and University Evaluation and Teaching Initiatives; and the NYC Preschool Provider Bilingual/English as a New Language Professional Development Center (Preschool Bilingual/ENL PDC) currently held by Long Island University, Brooklyn Campus.

The Role of LEAs

LEAs provide bilingual special education services and English as a new language (ENL) instruction to an increasing number of bilingual students with disabilities throughout NYS. School districts require additional qualified personnel to provide these much-needed services. Bidders will be required to share information with LEAs and approved private schools regarding the availability of tuition reimbursement, registered programs, service commitments that are required in return for tuition assistance, and the application process.

Collaboration with LEAs is necessary to ensure that:

- the ITI-BSE focuses funding on current areas of need,
- school personnel in need of initial certification or a bilingual extension are recommended for participation in the ITI-BSE, and

- participants who complete ITI-BSE-approved programs fulfill their service commitments.

The Role of Preschool Bilingual/ENL PDC

The Preschool Bilingual/ENL PDC addresses personnel shortages, but does not provide tuition assistance in the shortage areas specifically addressed by the ITI-BSE. The NYC Preschool Bilingual/ENL PDC provides in-service training to individuals who work in NYS-approved section 4410 preschool programs that do not have sufficient numbers of special education providers with bilingual extensions. In order to address shortages of preschool personnel who hold bilingual extensions, it is essential that the ITI-BSE work with the NYC Preschool Bilingual/ENL PDC to ensure that bilingual professionals and paraprofessionals who receive in-service training from the Preschool Bilingual/ENL PDC receive information about ITI-BSE funding, apply to IHE programs leading to a bilingual extension, and are recommended by their preschool programs for participation in the ITI-BSE.

The Role of NYSED's Offices of College and University Evaluation and Teaching Initiatives

NYSED's Office of College and University Evaluation (OCUE) assesses the compliance of public, independent, and proprietary degree-granting institutions and the programs of study they offer with the standards of quality set forth in law, rule, and regulation. This includes making recommendations on proposed programs of study. Approved programs are listed on the Office's [Inventory of Registered Programs](#). The ITI-BSE conducts alignment reviews on proposed university program offerings to ensure compliance with NYSED-approved Institute curricula and works with OCUE to facilitate the registration of programs in shortage areas and provide up-to-date lists of registered programs in the Institute's targeted shortage areas.

The Office of Teaching Initiatives (OTI) issues NYS certificates to teachers, administrators, and pupil personnel service providers. The ITI-BSE works with OTI to provide technical assistance so that candidates who complete ITI-BSE programs: a) understand the requirements for certification and how to apply for various types of certificates, b) can be recommended for certification by participating IHEs and c) can obtain their certificates in a timely fashion. At least once a year, the ITI-BSE shares a list of all participants who completed their coursework during the previous 12 months with NYSED to verify candidates' certification status and provide follow-up support, as necessary, to program completers who have not obtained certification.

Purpose

NYSED, through the Office of Special Education, is seeking applications to establish an ITI-BSE to address staff shortages in bilingual special education and related service areas through administration of a tuition assistance program involving coordination with NYSED, university-level training programs and LEAs. Specifically, the purposes of the ITI-BSE are to:

- manage a tuition assistance program for undergraduate and graduate students pursuing certification to provide services to bilingual students with disabilities in New York State (NYS);
- provide instructional support to colleges and universities that offer programs leading to BSE certification;
- engage in outreach to the public, school districts and approved private programs to identify qualified candidates;
- provide technical assistance to candidates in the areas of certification, coursework requirements, and ITI-BSE requirements; and

- report to NYSED on candidates' progress, program completion, completion of service commitments and certification rates.

Deliverables

The successful bidder will be expected to:

1. Obtain records (i.e., a list of candidates who are enrolled in the ITI-BSE, on waiting lists, or in the process of fulfilling their service commitments, including the name of the approved private school or school district in which candidates are employed; applications signed by ITI-BSE participants during the previous five-year contract; a list of colleges and universities participating in the ITI-BSE, including a list of ITI-BSE-approved programs and contact information for each program) from NYSED. The bidder will maintain these records throughout the contract period and supply the records to NYSED at the end of the contract.
2. Provide tuition assistance and support to candidates enrolled in the current ITI-BSE through a smooth and timely transition.
3. Engage in outreach (via email; phone calls; mailings; list servs, and presentations at a minimum of five half-day events each year in the NYC metropolitan area and two conferences each year, as referenced in the **Travel Requirements** section of the RFP) to school districts, approved preschool programs, and the public to advertise the availability of tuition assistance and identify qualified candidates in order to maintain an enrollment of at least 175 candidates each year of the contract.
4. Share information with LEAs and approved private schools regarding the availability of tuition reimbursement, registered programs, the application process and service commitments that are required in return for tuition assistance.
5. Coordinate referrals to the ITI-BSE with other NYSED-funded support programs and share lists of individuals receiving assistance to ensure that candidates are not receiving tuition assistance for the same courses.
6. Provide program information and applications to candidates.
7. Manage a tuition assistance application process that clearly outlines the candidate requirements for funding eligibility and service commitment. Application forms must include a requirement that reflects each applicant's commitment to serve in the position of bilingual service provider or ENL teacher in the nominating administrator's district, school building, or NYSED-approved preschool program for a period of two years after completion of the program **and** New York State Certification.
8. Negotiate with university personnel preparation programs to establish reduced tuition assistance rates, establish approved sequences of coursework for ITI-BSE participants, and provide assistance to IHEs that wish to register ITI-BSE approved programs.
9. Administer payment of NYSED-approved tuition assistance reimbursement fees to participating university personnel preparation programs for courses successfully completed by a minimum of 175 graduate, undergraduate and paraprofessional candidates during each year of the contract.
10. Assist NYSED with the periodic review and revision of approved sequences of coursework leading to certification in personnel categories designated by NYSED.
11. Coordinate with NYSED to facilitate registration of university programs that provide approved sequences of coursework leading to certification in the designated personnel shortage areas. The ITI-BSE will be responsible for reviewing IHEs' program-registration applications to ensure that the content of proposed courses aligns with NYSED-approved content for each designated certification area and how the admission requirements, standards and process will

lead to recruitment and rigorous selection of a high-caliber, diverse group of candidates. The winning bidder will then be required to inform NYSED's Office of College and University Evaluation (OCUE) when program registration applications meet ITI-BSE requirements and will

then follow up with OCUE or the Office of Research and Information Systems to ensure registered ITI-BSE programs appear on NYSED's Inventory of Registered Programs.

12. Provide direct payment to university personnel preparation programs for instructional support used in providing approved coursework to ITI-BSE participants.
13. Provide technical assistance (via email, telephone, mailings and a web site) to candidates in the areas of certification, coursework requirements, and ITI-BSE requirements.
14. Coordinate with NYSED to facilitate candidate certification. This coordination will include sharing candidates' information with the Office of Teaching Initiatives/Teacher Certification to see if candidates have applied for certification, met certification requirements and obtained certification. At least once a year, a list of all participants who completed their coursework during the previous 12 months will be shared with NYSED to verify candidates' certification status and provide follow-up support, as necessary, to program completers who have not obtained certification.
15. Convene and conduct one full-day meeting in NYC/downstate (Long Island and as far north as Westchester County) with IHEs that participate in the ITI-BSE in order to improve the quality and number of program offerings, provide a forum for gathering stakeholder input, and streamline ITI-BSE procedures (e.g., billing and application processes). This full-day meeting is the same meeting referenced in the following section, **Travel Requirements**.
16. Establish and manage a data collection and reporting system to document the registration of approved programs, candidates' completion of courses and approved instructional programs, direct payments to university personnel preparation programs (for provision of and candidate enrollment in approved coursework), candidates' completion of service commitments, and candidates' obtaining certification in areas of interest. The system will expedite the submission of the following reports:
 - a. **Quarterly Status Reports** that include:
 - i. Enrollment data for candidates in the ITI-BSE disaggregated by
 1. certificate area (e.g., bilingual special education, bilingual speech, bilingual school psychology, bilingual social work, bilingual counseling, or TESOL/special education);
 2. IHE;
 3. geographic area (i.e., NYC v Rest of State); and
 4. employment setting (i.e., preschool v K-12).
 - ii. Distribution of instructional support to IHEs.
 - iii. Number and types of ITI-BSE programs that have been registered.
 - iv. Outreach activities and contacts at the university, school district and other levels undertaken to advance program goals
 - b. **Annual progress reports** with narrative on progress towards goals and recommendations for next steps and strategies to sustain project initiatives; a list of contacts at IHEs; blank copies of candidate application forms and IHE contract(s); the number of active (new and continuing) candidates in each certification area; and the following information about program completers in each certification area from the start of the contract through the end of the current contract period:
 - i. coursework completion date,
 - ii. certification status,
 - iii. employment status, and
 - iv. completion of service commitment.

- c. **Periodic reports**¹, upon request up to four times a year, in response to NYSED's data needs in the Institute's areas of responsibility.

The quarterly status reports will be due on the last day of January, April, July, and October. The annual progress reports will be due on the last day of October of each contract year. The first quarterly status report will be due on January 31, 2018. The first annual progress report will be due on October 31, 2018. The final annual progress report will be due no later than thirty (30) days after the end of the contract. The periodic reports will be due as needed upon request by NYSED.

Staffing Requirements

Staffing requirements include a minimum of one full-time (1.0 FTE) Bilingual Professional Development Specialist available on a 12-month basis and one part-time (0.1 FTE) Project Director/Coordinator available on a 12-month basis. No more than two individuals may fill the Bilingual Professional Development Specialist position. A Bilingual Professional Development Specialist working .9 FTE or less may also fill the Project Director/Coordinator position at .1 FTE.

Travel Requirements

Bidders must budget for travel each year to attend the following meetings and events: one full-day meeting in Albany with NYSED staff and other NYSED contractors who address personnel shortages; one full-day meeting in NYC with SED staff and other NYSED contractors who address personnel shortages; one full-day meeting in NYC/downstate (Long Island and as far north as Westchester County) with IHEs that participate in the ITI-BSE; two conferences (one full day in duration each) of professional organizations in NYS (NYS Association for Bilingual Education; NYS TESOL; NYS Council for Exceptional Children; NYS Speech, Hearing, and Language Association; or NYS Association of School Psychologists); and at least five half-day events each year in the NYC metropolitan area for recruitment and dissemination of information.

Payments and Reporting

The contractor will be required to submit quarterly status reports and annual progress reports to NYSED as outlined in the Deliverables section. Quarterly payments will be made to the vendor once the quarterly status reports are reviewed and project initiatives and outcomes are determined to be adequate. Failure to submit the required progress reports may result in the suspension of future payments.

For additional information about Vendor Responsibility, see the **Vendor Responsibility** section contained in **3.) Evaluation Criteria and Method of Award** of this RFP.

If the vendor proposes to change subcontractors during the contract period, NYSED must be notified prior to the change. NYSED reserves the right to reject any replacement subcontractors proposed by the vendor and reserves the right to approve all changes in subcontractors. The Subcontracting Form located in the Submission Documents must be updated annually and submitted to NYSED. Using this form, the vendor must also report to NYSED, on an annual basis, actual expenditures incurred for all subcontractors and indicate which subcontracting costs are associated with M/WBE.

M/WBE AND EQUAL EMPLOYMENT OPPORTUNITIES REQUIREMENTS CONTRACTOR REQUIREMENT AND OBLIGATION UNDER NEW YORK STATE EXECUTIVE LAW, ARTICLE 15-A (PARTICIPATION BY MINORITY GROUP MEMBERS AND WOMEN WITH RESPECT TO STATE CONTRACTS)

In an effort to eradicate barriers that have historically impeded access by minority group members and women in State contracting activities, Article 15-A, of the New York State Executive Law §310-318, (Participation By Minority Group Members and Women With Respect To State Contracts) was enacted to promote equality of economic opportunities for minority group members and women.

- The **financial portion** of the proposal represents thirty (30) points of the overall score and will be awarded up to thirty (30) points pursuant to a formula. This calculation will be computed by the Contract Administration Unit upon completion of the technical scoring by the technical review panel.
- The submitted budget will be awarded points pursuant to a formula which awards the highest score of thirty (30) points to the budget that reflects the lowest overall cost. The remaining budgets will be awarded points based on a calculation that computes the relative difference of each proposal against the lowest budget submitted. The resulting percentage is then applied to the maximum point value of thirty (30) points.
- **NYSED reserves the right to request best and final offers. In the event NYSED exercises this right, all bidders that meet the minimum technical score will be asked to provide a best and final offer. The Contract Administration Unit will recalculate the financial score.**

Method of Award

The aggregate score of all the criteria listed will be calculated for each proposal received.

The contract issued pursuant to this proposal will be awarded to the vendor whose aggregate technical and cost scores are the highest among all the proposals rated. **If NYSED exercises the right to request best and final offers, the contract must be issued to the vendor with the highest aggregate technical and financial score that results from the best and final offer.**

In the event that more than one proposal obtains the highest aggregate score, the contract will be awarded to the vendor in that group of highest aggregate scores whose budget component reflects the lowest overall cost.

NYSED's Reservation of Rights

NYSED reserves the right to: (1) reject any or all proposals received in response to the RFP; (2) withdraw the RFP at any time, at the agency's sole discretion; (3) make an award under the RFP in whole or in part; (4) disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFP; (5) seek clarifications of proposals; (6) use proposal information obtained through site visits, management interviews and the state's investigation of a bidder's qualifications, experience, ability or financial standing, and any material or information submitted by the bidder in response to the agency's request for clarifying information in the course of evaluation and/or selection under the RFP; (7) prior to the bid opening, amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available; (8) prior to the bid opening, direct bidders to submit proposal modifications addressing subsequent RFP amendments; (9) change any of the scheduled dates; (10) waive any requirements that are not material; (11) negotiate with the successful bidder within the scope of the RFP in the best interests of the state; (12) conduct contract negotiations with the next responsible bidder, should the agency be unsuccessful in negotiating with the selected bidder; (13) utilize any and all ideas submitted in the proposals received; (14) unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 90 days from the bid opening; (15) require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an offerer's proposal and/or to determine an offerer's compliance with the requirements of the solicitation; (16) request best and final offers.

Post Selection Procedures

Upon selection, the successful bidder will receive a proposed contract from NYSED. The selected bidder may be given an opportunity to reduce its cost proposal in accordance with the agency's right to negotiate a final best price. The contents of this RFP, any subsequent correspondence during the proposal evaluation period, and such other stipulations as agreed upon may be made a part of the final contract prepared by NYSED. Successful bidders may be subject to audit and should ensure that adequate controls are in place to document the allowable activities and expenditure of State funds.

Debriefing Procedures

All unsuccessful bidders may request a debriefing within fifteen (15) calendar days of receiving notice from NYSED. Bidders may request a debriefing letter on the selection process regarding this RFP by submitting a written request to the Fiscal Contact person at:

NYS Education Department
Contract Administration Unit
89 Washington Avenue
Room 501W EB
Albany, NY 12234

The Fiscal Contact person will make arrangements with program staff to provide a written summary of the proposal's strengths and weaknesses, as well as recommendations for improvement. Within ten (10) business days, the program staff will issue a written debriefing letter to the bidder.

Contract Award Protest Procedures

Bidders who receive a notice of non-award may protest the NYSED award decision subject to the following:

1. The protest must be in writing and must contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the contract award by NYSED.

3. The NYSED Contract Administration Unit (CAU) will convene a review team that will include at least one staff member from each of NYSED's Office of Counsel, CAU, and the Program Office. The review team will review and consider the merits of the protest and will decide whether the protest is approved or denied. Counsel's Office will provide the bidder with written notification of the review

team's decision within seven (7) business days of the receipt of the protest. The original protest and decision will be filed with OSC when the contract procurement record is submitted for approval and CAU will advise OSC that a protest was filed.

4. The NYSED Contract Administration Unit (CAU) may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts.

Vendor Responsibility

State law requires that the award of state contracts be made to responsible vendors. Before an award is made to a not-for-profit entity, a for-profit entity, a private college or university or a public entity not exempted by the Office of the State Comptroller, NYSED must make an affirmative responsibility determination. The factors to be considered include: legal authority to do business in New York State; integrity; capacity- both organizational and financial; and previous performance. Before an award of \$100,000 or greater can be made to a covered entity, the entity will be required to complete and submit a [Vendor Responsibility Questionnaire](#). School districts, Charter Schools, BOCES, public colleges and universities, public libraries, and the Research Foundation for SUNY and CUNY are some of the exempt entities. A complete list of exempt entities can be viewed at the [Office of the State Comptroller's website](#).

NYSED recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the [VendRep System Instructions](#) or go directly to the [VendRep System on the Office of the State Comptroller's website](#).

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at ITServiceDesk@osc.state.ny.us.

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the [VendRep website](#) or may contact NYSED or the Office of the State Comptroller's Help Desk for a copy of the paper form.

Subcontractors:

For vendors using subcontractors, a Vendor Responsibility Questionnaire and a NYSED vendor responsibility review are required for a subcontractor where:

- the subcontractor is known at the time of the contract award;
- the subcontractor is not an entity that is exempt from reporting by OSC; and
- the subcontract will equal or exceed \$100,000 over the life of the contract.

Note: Bidders must acknowledge their method of filing their questionnaire by checking the appropriate box on the Response Sheet for Bids (5. Submission Documents).

PROCUREMENT LOBBYING LAW

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between the New York State Education Department (“NYSED”) and an Offerer/bidder during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of the solicitation through final award and approval of the Procurement Contract by NYSED and, if applicable, Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). Designated staff, as of the date hereof, is identified below. NYSED employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four year period, the Offerer/bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found at [NYSED's Procurement Lobbying Law Policy Guidelines webpage](#).

Consultant Disclosure Legislation

Effective June 19, 2006, new reporting requirements became effective for State contractors, as the result of an amendment to State Finance Law §§ 8 and 163. As a result of these changes in law, State contractors will be required to disclose, by employment category, the number of persons employed to provide services under a contract for consulting services, the number of hours worked and the amount paid to the contractor by the State as compensation for work performed by these employees. This will include information on any persons working under any subcontracts with the State contractor.

Chapter 10 of the Laws of 2006 expands the definition of contracts for consulting services to include any contract entered into by a State agency for analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal, or similar services.

To enable compliance with the law, State agencies must include in the Procurement Record submitted to OSC for new consultant contracts, the State Consultant Services Contractor’s Planned Employment From Contract Start Date Through the End of the Contract Term ([Form A](#) - see link below). The completed form must include information for all employees providing service under the contract whether employed by the contractor or a subcontractor. Please note that the form captures the necessary planned employment information ***prospectively from the start date of the contract through the end of the contract term.***

[Form A](#) is available on OSC’s website.

Please note that although this form is not required as part of the bid submissions, NYSED encourages bidders to include them in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the form listed above is acceptable.

Chapter 10 of the Laws of 2006 mandates that State agencies must now require State contractors to **report annually** on the employment information described above, including work performed by subcontractors. The legislation mandates that the annual employment reports are to be submitted by the contractor to the contracting agency, to OSC and to the Department of Civil Service. State Consultant Services Contractor's Annual Employment Report (Form B - see link below) is to be used to report the information for all procurement contracts above \$15,000. Please note that, in contrast to the information to be included on Form A, which is a one-time report of planned employment data for the entire term of a consulting contract on a projected basis, **Form B will be submitted each year the contract is in effect and will capture historical information, detailing actual employment data for the most recently concluded State fiscal year (April 1 – March 31).**

NYSED Substitute Form W-9

Any payee/vendor/organization receiving Federal and/or State payments from NYSED must complete the NYSED Substitute Form W-9 if they are not yet registered in the Statewide Financial System centralized vendor file.

The NYS Education Department (NYSED) is using the NYSED Substitute Form W-9 to obtain certification of a vendor's Tax Identification Number in order to facilitate a vendor's registration with the SFS centralized vendor file and to ensure accuracy of information contained therein. We ask for the information on the NYSED Substitute Form W-9 to carry out the Internal Revenue laws of the United States.

Workers' Compensation Coverage and Debarment

New York State Workers' Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements which provide for the debarment of vendors that violate certain sections of WCL. The WCL requires, and has required since introduction of the law in 1922, the heads of all municipal and State entities to ensure that businesses have appropriate workers' compensation and disability benefits insurance coverage *prior* to issuing any permits or licenses, or *prior* to entering into contracts.

Workers' compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers' Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL.

Under provisions of the 2007 Workers' Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers' Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

PROOF OF COVERAGE REQUIREMENTS

The Workers' Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers' compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL.

Please note – an ACORD form is not acceptable proof of New York State workers' compensation or disability benefits insurance coverage.

Proof of Workers' Compensation Coverage

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers' compensation insurance coverage:

- **Form C-105.2** – Certificate of Workers' Compensation Insurance issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or
- **Form SI-12**– Certificate of Workers' Compensation Self-Insurance; or **Form GSI-105.2** Certificate of Participation in Workers' Compensation Group Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage.

Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers' Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- **Form DB-120.1** - Certificate of Disability Benefits Insurance; or
- **Form DB-155**- Certificate of Disability Benefits Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Coverage.

For additional information regarding workers' compensation and disability benefits requirements, please refer to the New York State Workers' Compensation Board website. Alternatively, questions relating to either workers' compensation or disability benefits coverage should be directed to the NYS Workers' Compensation Board, Bureau of Compliance at (518) 486-6307.

Please note that although these forms are not required as part of the bid submissions, NYSED encourages bidders to include them in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the forms listed above are acceptable.

Sales and Compensating Use Tax Certification (Tax Law, § 5-a)

Tax Law § 5-a requires contractors awarded State contracts for commodities or services valued at more than \$100,000 over the full term of the contract to certify to the New York State Department of Taxation and Finance ("DTF") that they are registered to collect New York State and local sales and compensating use taxes, if they made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, measured over a specific period of time. The registration requirement applies if the contractor made a cumulative total of more than \$300,000 in sales during the four completed sales tax quarters which immediately precede the sales tax quarter in which the certification is made. Sales tax quarters are June – August, September – November, December – February, and March – May. In addition, contractors must certify to DTF that each affiliate and subcontractor of such contractor exceeding such sales threshold during a specified period is registered to collect New York State and local sales and compensating use taxes. Contractors must also certify to the procuring State entity that they filed the certification with the DTF and that it is correct and complete.

The selected bidder must file a properly completed Form ST-220-CA (with OSC as the Contracting Agency within 48 hours of notification of selection for award) and Form ST-220-TD (with the DTF). These requirements must be met before a contract may take effect. Further information can be found at the [New York State Department of Taxation and Finance's website](#). Forms are available through these links:

- [ST-220 CA](#)
- [ST-220 TD](#)

Please note that although these forms are not required as part of the bid submissions, NYSED encourages bidders to include them with their bid submissions to expedite contract execution if the bidder is awarded the contract.

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix for that PERIOD.

C. This AGREEMENT incorporates the face pages attached and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement (The attached Appendix X is the blank form to be used). Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, or change in the term, is subject to the approval of the Office of the State Comptroller. F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.

RFP #17-017

exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.

C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations

A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

Appendix A
STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every

invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs

of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily

authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS.

Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. 24. PROCUREMENT LOBBYING.

To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. 25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

26. IRAN DIVESTMENT ACT.

By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("[Prohibited Entities List](#)")

Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an

opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.
