## REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of the  
**Icahn Charter School 7**

We have performed the procedures enumerated below, which were agreed to by management of the Icahn Charter School 7 (the "Charter School") and the New York State Education Department ("NYSED") (together "specified parties"), solely to assist the specified parties in evaluating management's assertion to NYSED that the Charter School has maintained compliance with the requirements of the Charter School Program ("CSP") grant and Federal and NYSED guidelines in managing the CSP grant during the twelve months ended June 30, 2013. The Charter School's management is responsible for compliance with the requirements of the CSP grant and Federal and NYSED guidelines in managing the CSP grant. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified parties. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

**Procedure #1:** We obtained the detail of expenditures incurred for the twelve months ended June 30, 2013 relating to the CSP grant from the Charter School's accounting software and reconciled it to the grant revenue recorded by the Charter School.

**Result:** No exceptions noted.

**Procedure #2:** We obtained the NYSED approved CSP grant award information, including the budget and any amendments. We compared budgeted amounts, pro-rata if applicable, by code sub-total, to the actual expenses incurred for the period obtained in procedure #1 and noted whether any variances exceeded 10% of the budgeted amount.

**Result:** No exceptions noted.

**Procedure #3:** We selected a sample of expenditures from the detail obtained in Procedure #1.

- a. Payroll - We selected 10 items or 10% of the total number of payroll items charged to the grant, whichever was less.
- b. Other expenses - We selected 10 items or 10% of the total number of other items charged to the grant, whichever was less.
- c. Using the above selected items, we:
  - i. Determined if the expenditure was in accordance with the purpose of the grant by reviewing NYSED guidance on acceptable use of CSP grant funds and that pre-opening expenditures were charged to pre-opening periods.
  - ii. Determined if the expenditure was included in an approved budget category.
  - iii. Determined if the expenditure was charged to the appropriate fiscal period.

**Result:** No exceptions noted.

**Procedure #4:** We obtained FS 25 form(s) submitted to NYSED during the twelve months ended June 30, 2013 and performed the following.

- a. Compared expenditures selected in Procedure #3 to requests for reimbursement. Determined that items requested for reimbursement had previously been expended or were expended within a month following the request for reimbursement. If items had not yet been requested for reimbursement, we inquired of charter school officials as to the plan for requesting reimbursement, and determined if a receivable was recorded, if appropriate.
- b. If FS 25 forms included amounts on Line 4 (Cash Expenditures Anticipated During Next Month), we selected one FS 25 and determined if funds were expended within 1 month following the date of the request.

**Result:** No exceptions noted.

We were not engaged to, and did not, conduct an examination, the objective of which is the expression of an opinion on the Charter School's compliance with the requirements of the CSP grant and Federal and NYSED guidelines in managing the CSP grant. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of Icahn Charter School 7 and the New York State Education Department, and it is not intended to be and should not be used by anyone other than the specified parties.

## REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of the  
**Icahn Charter School 7**

We have performed the procedures enumerated below, which were agreed to by management of the Icahn Charter School 7 (the "Charter School") and the New York State Education Department ("NYSED") (together "specified parties"), solely to assist the specified parties in evaluating management's assertion to NYSED that the Charter School has financial controls in place for transactions relating to the following:

1. preparing and maintaining financial statements and records in accordance with accounting principles generally accepted in the United States of America ("GAAP");
2. payroll procedures;
3. accounting for contributions and grants;
4. procedures for the creation and review of interim and annual financial statements, which procedures shall specifically identify the individual(s) who will be responsible for preparing and reviewing such financial statements and ensuring that such statements contain valid and reliable data;
5. existence of appropriate internal financial controls and procedures;
6. safeguarding of assets including cash and equipment;
7. compliance with applicable laws and regulations;
8. ensuring that the purchasing process results in the acquisition of necessary goods and services at the best price;
9. following appropriate guidance relating to budget development and administration; and
10. following appropriate guidance relating to a code of ethics, and cash management and investments.

The Charter School's management is responsible for the Charter School's financial controls. This agreed-upon procedures engagement was conducted in accordance with attestation

standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified parties. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our findings are as follows:

**Procedure #1:** We obtained a copy of the Financial Policies and Procedures Manual ("FPPM") of the School and ascertained whether it included accounting procedures for the preparation of the School's financial statements in conformity with accounting principles generally accepted in the United States of America.

**Result:** We have read the FPPM and have ascertained that it includes accounting procedures over cash receipts, revenue, accounts receivable, purchasing, accounts payable, cash disbursements, payroll, financial reporting, fixed assets, insurance, and debt. Based upon our review, it appears that the FPPM includes accounting procedures for the preparation of the Charter School's financial statements in conformity with accounting principles generally accepted in the United States of America.

**Procedure #2:** We ascertained whether the FPPM includes payroll procedures for the School and determined whether the School has hired an outside vendor to process the payroll.

**Result:** We have read the FPPM and have ascertained that it includes payroll procedures for the Charter School. We have also noted that the Charter School has hired an outside vendor to process payroll as they have retained the services of Automatic Data Processing ("ADP").

**Procedure #3:** We ascertained whether the FPPM includes procedures for accounting for contributions and grants.

**Result:** We have read the FPPM and have ascertained that it includes procedures for accounting for both contributions and grants.

**Procedure #4:** We interviewed the person(s) responsible for financial management of the School regarding the existence and understanding of procedures for the creation and review of interim and annual financial statements.

**Result:** We interviewed Richard Santiago, Director of Operations, and have verified the existence and his understanding of procedures for the creation and review of interim and annual financial statements. Richard demonstrated an understanding of procedures pertaining to the creation and review of interim and annual financial statements.

**Procedure #5:** We obtained the available trial balance and documentation supporting cash receipts pertaining to contributions and grants, and cash disbursements pertaining to payroll and other expenses. We selected 10 cash receipts and 10 cash disbursements from the above and agreed cash receipts to bank statement or deposit ticket and agreed

cash disbursements to underlying invoices. We also determined if the amount was recorded in the appropriate fiscal period.

**Result:** We agreed the cash receipts to respective bank statements, and agreed the cash disbursements to underlying invoices and noted no exceptions. We also determined that amounts were recorded in the appropriate fiscal period and noted no exceptions.

**Procedure #6:** We interviewed the person(s) responsible for financial management of the School regarding the existence and understanding of appropriate internal financial controls and procedures as described in the FPPM, which includes procedures related to ensuring that transactions are properly authorized, assets are safeguarded against unauthorized or improper use, and transactions are properly recorded and reported.

**Result:** We interviewed Richard Santiago, Director of Operations, and have verified the existence and his understanding of appropriate internal financial controls and procedures described in the FPPM, including procedures related to ensuring that transactions are properly authorized, assets are safeguard against unauthorized or improper use, and transactions are properly recorded and reported. We discussed with Richard the controls implemented over cash receipts, revenue, accounts receivable, purchasing, accounts payable, cash disbursements, payroll, financial reporting, fixed assets, insurance, and debt which are all documented in the FPPM. Richard was knowledgeable of all items and clearly understood all procedures discussed.

**Procedure #7:** We interviewed the person(s) responsible for financial management of the School regarding compliance with applicable laws and regulations and how they stay current with all laws and regulations. We also ascertained whether the School has a code of ethics.

**Result:** We interviewed Richard Santiago, Director of Operations, regarding compliance with applicable laws and regulations and Rich represented that the School is compliant in all respects. Richard also represented that he stays current with all laws and regulations through the New York State Charter School Office and the School's NYSED web-portal on the state education department's website. Further, the School utilizes the legal resources of Icahn Associates Corp., a related party, on an as-needed basis. We also noted that the Charter School has a Code of Ethics.

**Procedure #8:** We ascertained whether the FPPM includes procedures for ensuring the purchasing process results in the acquisition of necessary goods and services at the best price.

**Result:** We have obtained the FPPM and ascertained that it includes procedures for ensuring the purchasing process results in the acquisition of necessary goods and services at the best price.

**Procedure #9:** We interviewed the person(s) responsible for financial management of the School regarding the existence of procedures for budget development and administration. We obtained a copy of the most recent budget to determine if the budget was approved by the Board of Directors of the School.

**Result:** We interviewed Richard Santiago, Director of Operations, and noted that the Charter School follows procedures for budget development and administration as set forth in the FPPM. We also obtained a copy of the most recent budget and observed that it was approved by the Board of Trustees of the Charter School.

**Procedure #10:** We ascertained whether the FPPM includes procedures for ensuring the School has procedures for cash management and investments, if applicable.

**Result:** We have read the FPPM and determined that it includes procedures for ensuring that the Charter School has procedures for cash management and investments.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression of an opinion on the Charter School's financial controls. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of Icahn Charter School 7 and the New York State Education Department, and it is not intended to be and should not be used by anyone other than the specified parties.

An Appendix E: Disclosure of Financial Interest Form must be completed for each active Trustee who served on the charter school's Board of Trustees during the 2012-13 school year. Trustees are at times difficult to track down in the summer months. Trustees may complete and submit at their leisure (but before the deadline) their individual form at: <http://fluidsurveys.com/surveys/vickie-smith/appendix-e-disclosure-of-financial-interest-form/>.

Trustees who are technologically advanced may complete the survey using their smartphones or other mobile devices by downloading the this bar code link to the survey <http://fluidsurveys.com/account/surveys/210748/publish/qrcode/>. (Make sure you have the bar code application reader on your phone).

If a Trustee is unable to complete the form by the deadline (i.e, out of the country), the school is responsible for submitting the information required on the form for that individual trustee.

Just send the links via email today to your Trustees requesting that they each complete their form as soon as possible.

Thank you.

Yes, each member of the school's Board of Trustees has received a link to the Disclosure of Financial Interest Form.

Thank you.

## I. Enrollment and Retention Targets

ICAHN 1-7 has undertaken efforts throughout the charter period to attract and retain students with disabilities and English language learners. During the student application process, school literature in both English and Spanish is distributed throughout CSD 9 for Icahn 1, CSD 11 for Icahn 2-5, CSD 9 for Icahn 6 and CSD 8 for Icahn 7. Specific community outreach efforts and interactions with local schools serving significant relevant student populations are carried out.

Provisions for the attraction and retention of students with disabilities and English language learners are contained in the ICAHN 1-7 Student Enrollment and Retention Plan, which was designed to facilitate the meeting or exceeding of enrollment and retention target student populations established by the SUNY Trustees for:

- Students with disabilities,
- Students who are English language learners
- Students who are eligible to participate in the federal free and reduced-price lunch program.

**Recruitment** - Formal recruitment of prospective students with disabilities and those who are English language learners (ELLs) begins each year on February 1<sup>st</sup>. ICAHN 1-7 advertises an open registration process in the English and Spanish languages. If they choose, families of these students can meet with ICAHN 1 staff members and review the expectations of the school. ICAHN 1-7 maintains a policy of equitable admissions access to all students in every phase of its admissions process. ICAHN 1-7 shall not discriminate against any student based on race, ethnicity, national origin, gender, or disability or for any other basis that would be unlawful for a public school. Icahn 1 shall be open to any child who is eligible under the laws of New York State for admission to a public school, and ICAHN 1-7 shall ensure compliance with all applicable anti-discrimination laws governing public schools, including Title VI of the Civil Rights Act and Paragraph 2854 (2) of the New York Education Law, governing admission to a charter school. New students will be admitted each year without regard to prior measures of achievement or aptitude, athletic ability, disability, handicapped condition, ethnicity, race, creed, gender, national origin, religion, or ancestry. Interested families will submit applications during the period between February 1<sup>st</sup> and April 1<sup>st</sup>, at which point students will be accepted. If the number of applicants to ICAHN 1 exceeds capacity, a lottery or a random selection process will be conducted. The lottery will be held within the first week of April.

**Outreach** – ICAHN 1-7 will undertake the measures below, among others, to recruit student applicants, including students with disabilities and English language learners (and will provide translation services, if necessary, for all promotional materials and any person-to-person interaction requiring an English translation):

- (1) Posting flyers and placing notices in local Spanish language newspapers, supermarkets, churches, community centers, apartment complexes, and local daycare centers
- (2) Conducting open houses at after-school programs and youth centers;
- (3) Visiting local organizations in surrounding neighborhoods, speaking at community meetings and distributing information packets; and
- (4) Canvassing neighborhoods to further reach interested families.

Specific measures will be designed and implemented to reach parents for/of:

- Whom English is not their primary language
- Students with disabilities
- Students who would qualify for free or reduced-price lunch
