## INTRODUCTION

The mission of Icahn Charter School 7 is to use the Core Knowledge curriculum developed by E. D. Hirsch to provide students with a rigorous academic program offered in an extended day/year setting. Students will graduate armed with the skills and knowledge to participate successfully in the most rigorous academic environments, and will have a sense of personal and community responsibility. Icahn Charter School 7 opened in September 2013 and served grades kindergarten through second grade.

Our school is composed of 44% African American, 45% Hispanic, and 11% other with a free and reduced lunch rate of 80%. Our instructional program is data driven and combines Core Knowledge with ongoing assessments. Children who have demonstrated a deficiency in ELA or Mathematics as evident by the results of an assessment test are placed in our Targeted Assistance Program. Our Targeted Assistance Program consists of in school remediation, and after school tutoring. We have an extended school day of 7.5 hours and an extended school year ranging from 190 to 192 days of instruction.

## ENGLISH LANGUAGE ARTS

### **Goal 1: English Language Arts**

Students will become proficient readers of the English Language

### **Background**

Our ELA curriculum follows the Core Knowledge sequence and is comprised of McGraw-Hill readers, workbooks, a strong emphasis on writing, extensive classroom libraries and monthly assessments. Our ELA specialist provides small group instruction for 45 minutes a day 5-days a week to those children who have demonstrated a deficiency in any area of reading. Teachers and ELA specials meet to provide remediation lessons for the targeted students. The process of ongoing assessments ensure that the program will closely monitor the student's progress and promote the student out of the Targeted Assistance where appropriate, as well as accept new students as required by their practice tests and teacher recommendation. Teachers are provided with professional development at the beginning of the school year followed by monthly on-going professional development sessions.

### **Goal 1: Absolute Measure**

Each year, 75 percent of all tested students enrolled in at least their second year will perform at proficiency on the New York State English language arts examination for grades 3-8.<sup>1</sup>

2013-2014 was our first year of operation serving Kindergarten through grade 2, and we will not have grade 3 results until spring 2015.

### **Goal 1: Absolute Measure**

Each year, the school's aggregate Performance Level Index (PLI) on the State English language arts exam will meet the Annual Measurable Objective (AMO) set forth in the state's NCLB accountability system.

2013-2014 was our first year of operation serving Kindergarten through grade 2, and we will not have grade 3 results until spring 2015.

## Action Plan

ICAHN 7 will complete its first testing year in 2014-15. In the coming year we plan to analyze the impact of our instruction on at risk students to identify possible changes we can introduce to support their increased academic achievement. Given the impact of the common core learning standards, we shall also review and adjust instruction as needed to support student gains in reading, writing, and listening skills.

## **. MATHEMATICS**

### **Goal 1: Mathematics**

Students will demonstrate steady progress in the understanding and application of mathematical skills and concepts

### **Background**

Our Mathematics curriculum follows the Core Knowledge sequence and is comprised of Pearson's Envision, workbooks, and a strong emphasis on hands on learning and monthly assessments. Our Mathematics specialist provides small group instruction for 45 minutes a day 5 days a week to those children who have demonstrated a deficiency in any area of Mathematics. The results of practice tests are reviewed with the Principal, teachers, mathematics specialist, and Mathematics consultant in order to provide remediation lessons for the targeted students. Our process of ongoing assessments ensures that the program will closely monitor the child's progress and promote the students out of targeted assistance where appropriate, as well as accept new students as required by practice tests and teacher recommendation. The Mathematics program is supervised by the Principal and with additional support from a Mathematics Consultant from the NYC Mathematics Project at Lehman College. The Mathematics Consultant is responsible for demonstration lessons and participates in developing teaching strategies. The mathematics consultant also provides professional development during common planning periods.

**Action Plan**

ICAHN will continue utilizing the NYC Math Project as well as ongoing assessment and remediation as needed. In addition, we will continue to align our curriculum and provide current texts as the NYS Education Department modifies its mathematic strands. Additionally we shall use Curriculum Associates I-Ready to meet every child's individual needs in mathematics. Given the impact of the common core learning standards, we shall also review and adjust as needed student reading, writing, and listening skills as they relate to mathematics.

**SCIENCE**

**Goal 3: Science**  
Students will demonstrate competency in the understanding and application of scientific reasoning.

**Background**

The ICAHN 7 Charter School science curriculum is aligned with the NYS standards and utilizes McGraw-Hill/National Geographic text.

**Goal 3: Absolute Measure**  
Each year, 75 percent of all tested students enrolled in at least their second year will perform at proficiency on the New York State science examination.

2013-2014 was our first year of operation serving Kindergarten through grade 2, and we will not have grade 3 results until spring 2016.

**Summary of the Science Goal**

ICAHN 7 will not administer the NYS 4<sup>th</sup> Grade Science assessment until 2015-16.

Comparative	Each year, the percent of all tested students enrolled in at least their second year and performing at proficiency on the state exam will be greater than that of all students in the same tested grades in the local school district.	N/A

**Action Plan**

Efforts at ICAHN 7 will continue to ensure that our students are provided with available resources such as the TA program, afterschool and the Saturday Academy Program and their instruction is aligned with the NYS standards

**NCLB**

**Goal 5: NCLB**  
Under the state’s NCLB accountability system, the school’s Accountability Status will be “Good Standing” each year.

**Goal 5: Absolute Measure**  
Under the state’s NCLB accountability system, the school’s Accountability Status will be “Good Standing” each year.

**Method**

Since *all* students are expected to meet the state's learning standards, the federal No Child Left Behind legislation stipulates that various sub-populations and demographic categories of students among all tested students must meet state proficiency standards. New York, like all states, established a system for making these determinations for its public schools. Each year the state issues School Report Cards which indicate each school's status under the state's No Child Left Behind (NCLB) accountability system.

**Results** - ICAHN 7 has completed its first operational year in 2013-14, offering instruction to students, Kindergarten through 2<sup>nd</sup> grade.

**Evaluation**

NYS testing began in the 2008-09 school year and have consistently been recognized as “a school in good standing” since that time. To achieve this status of a “school in good standing”, we shall have to meet the Annual Yearly Progress (AYP), thereby demonstrating that the children’s achievement will be in accordance with NCLB requirements. ICAHN 7 will be eligible for “Good Standing” status in 2014-15.

### Goal S: Parent Satisfaction

Parents will demonstrate strong support and commitment to the school

### Goal S: Absolute Measure

Each year two-thirds of parents will demonstrate satisfaction with the school's program based on a parent satisfaction survey.

## Method

The NYC School Survey includes questions available for response for all parents/guardians of students who attend Icahn 7 Charter School. After the collection of the surveys, all questions are tallied with notification of how many surveys were not returned to the school.

## Results

The survey, provided in both English and Spanish is presented below:

### 2013-14 Parent Satisfaction Survey Response Rate

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

#### 1. Total Expenditures Per Child

To calculate 'Total Expenditures per Child' take total expenditures (from the unaudited 2013-14 Schedule of Functional Expenses) and divide by the count of students you reported on of BEDS Day. (Integers Only. No dollar signs or commas).

It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation.

Please note the following:

Do not include the FTE of personnel dedicated to administration of the instructional programs.

Do not include Employee Benefit costs or expenditures in the above calculations.

A template for the Schedule of Functional Expenses is provided on page 21 of the 2012 Annual Report Guidelines to assist schools identify the categories of expenses needed to compute the two per pupil calculations. This template does not need to be completed or submitted on August 1st as it will be submitted November 1st as part of the audited financial statements. Therefore schools should use unaudited amounts for these per pupil calculations. (See the 2013-14 Annual Report Guidelines in "Resources" area of your portal task page).

## REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of the  
**Icahn Charter School 7**

### **Report on the financial statements**

We have audited the accompanying financial statements of Icahn Charter School 7 (the “Charter School”), which comprise the statement of financial position as of June 30, 2014, and the statements of activities for the year ended June 30, 2014 and six months ended June 30, 2013, and cash flows for the year ended June 30, 2014, and the related notes to the financial statements.

### **Management’s responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor’s responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Charter School’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Charter School’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Charter School as of June 30, 2014, and the changes in its net assets for the year ended June 30, 2014 and six months ended June 30, 2013, and its cash flows for the year ended June 30, 2014 in accordance with accounting principles generally accepted in the United States of America.

**Other matters**

*Supplementary information*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Functional Expenses is presented for purposes of additional analysis and is not a required part of the financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling the information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other reporting required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report, dated October 30, 2014, on our consideration of the Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Charter School's internal control over financial reporting and compliance.

**1. NATURE OF OPERATIONS**

The Icahn Charter School 7 (the “Charter School”) is an educational corporation formed to operate a charter school located in the City of New York, County of the Bronx. On September 13, 2011, the Board of Regents of the University of the State of New York, for and on behalf of the State Education Department, granted a provisional charter valid for a term of five years, incorporating the Charter School.

The central mission of the Charter School, using the Core Knowledge curriculum developed by E.D. Hirsch, is to provide students with a rigorous academic program offered in an extended day/year setting. Students are expected to graduate armed with the skills and knowledge to participate successfully in the most rigorous academic environments and have a sense of personal and community responsibility. The Charter School is coeducational and nonsectarian and commenced instruction on September 9, 2013.

The Charter School is exempt from federal income tax under Section 501(a) of the Internal Revenue Code and is classified as an organization described in Section 501(c)(3).

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The Charter School prepares its financial statements on the accrual basis of accounting in conformity with U.S. Generally Accepted Accounting Principles (“U.S. GAAP”) and standards established by the Financial Accounting Standards Board for external financial reporting by not-for-profit organizations. Those standards require the classification of activities and net assets based upon the existence or absence of donor-imposed restrictions, as follows:

Unrestricted - Net assets that are not subject to donor-imposed stipulations and, therefore, may be expended for any purpose in performing the primary objective of the Charter School.

Temporarily Restricted - Net assets subject to donor-imposed restrictions that will be satisfied either by actions of the Charter School or the passage of time. At June 30, 2014, the Charter School did not have any temporarily restricted net assets.

Permanently Restricted - Net assets subject to donor-imposed restrictions stipulating that the corpus be maintained in perpetuity by the Charter School, but permit the Charter School to expend all or part of the income derived there from. At June 30, 2014, the Charter School did not have any permanently restricted net assets.

**Revenue**

Revenue is recorded on the accrual basis of accounting. The Charter School derives its revenue primarily from state and local capitation based on student enrollment, contributions and grants.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by explicit donor-imposed restrictions. Public school district revenues (state and local capitation) received from the New York City Department of Education Office of Charter Schools are recognized over the period earned. Amounts received in advance are reported as deferred revenue.

**ICAHN CHARTER SCHOOL 7**  
**Notes to Financial Statements**  
**June 30, 2014**

---

Revenue from grants and contracts is recognized as the related expenses are incurred in accordance with the terms of the respective grant or contract agreement. Amounts received in advance are reported as deferred revenues.

The Charter School records contributions of cash and other assets when an unconditional promise to give such assets is received from a donor. Contributions are recorded at the fair market value of the assets received and are classified as either unrestricted, temporarily restricted or permanently restricted, depending on whether the donor has imposed a restriction on the use of such assets.

The Charter School reports gifts of cash or other assets as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same fiscal year are reported as unrestricted revenues.

**Receivables**

Receivables outstanding longer than the payment terms are considered past due. The carrying value of the related receivables is reduced by an appropriate allowance for uncollectible accounts. The Charter School determines its allowance by considering a number of factors, including the length of time receivables are past due, the Charter School's previous loss history, the donor's current ability to pay its obligation, and the condition of the general economy and the industry as a whole. As of June 30, 2014, there was no allowance for uncollectible receivables. All contributions receivable as of June 30, 2014 are expected to be collected within one year.

The Charter School writes off receivables when they are deemed to be uncollectible, and payments subsequently received on such receivables are recorded as income in the period received.

**Cash and Cash Equivalents**

Cash and cash equivalents are recorded at fair value, and are comprised of highly liquid financial instruments with original maturities of three months or less at the time of purchase. Included in cash and cash equivalents is a reserve fund of \$25,000 to cover debts in the event of the Charter School's dissolution.

**Concentration of Credit Risk**

Certain financial instruments potentially subject the Charter School to concentration of credit risk. These financial instruments consist primarily of cash and cash equivalents. The Charter School maintains its cash in various bank accounts, which may exceed federally insured limits at times. The Charter School has not experienced, nor does it anticipate, any losses with respect to these bank accounts.

## Notes to Financial Statements

June 30, 2014

---

### Capital Assets

Furniture, fixtures, equipment, library and textbooks are stated at cost net of depreciation, or fair value at date of contribution, if donated. The Charter School capitalizes all property and equipment with a cost of at least \$1,000 and an estimated useful life of more than one year. Depreciation of furniture, fixtures, equipment, library, software and textbooks is computed in the month in which the assets are acquired, utilizing the straight-line basis, over their estimated useful lives, as follows:

	<u>Useful lives</u>
Furniture and fixtures	3 years
Equipment	3-5 years
Library, software and textbooks	3 years

### Taxes

The Charter School recognizes or derecognizes a tax position based on a "more likely than not" threshold. This applies to positions taken or expected to be taken in a tax return. The Charter School evaluated its tax positions and concluded that there are no uncertain tax positions within its financial statements. The tax years ended 2011, 2012, 2013, and 2014 are still open to audit for both federal and state purposes.

### Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### 3. CAPITAL ASSETS, NET

At June 30, 2014, capital assets consisted of the following:

Library, software and textbooks	\$ 28,972
Equipment	351,389
Furniture and fixtures	<u>67,783</u>
	448,144
Less: Accumulated depreciation	<u>(104,502)</u>
	<u>\$ 343,642</u>

Included in equipment as of June 30, 2014 are assets acquired under capital leases at a cost of approximately \$22,000 with accumulated depreciation of approximately \$4,000.

Depreciation expense totaled approximately \$105,000 and \$0 for the year ended June 30, 2014 and six months ended June 30, 2013, respectively.

**4. RELATED PARTY TRANSACTIONS**

Legal services are provided at no cost by the Icahn Associates Corp. (the "Company"), a company affiliated with the Charter School. These amounts have not been reflected as in-kind contributions in the accompanying financial statements, as neither the Charter School nor the Company has a readily measurable or objective basis for determining such amounts.

Certain expenses are shared amongst the seven Icahn Charter Schools (affiliated entities) and amounts may also be received on behalf of another Icahn Charter School. Shared expenses primarily related to prorated salaries, based on student enrollment, for administrators at Icahn Charter School 1 who serve in a management capacity at the Charter School and for one student counselor at the Icahn Charter School 6 who served in an educational capacity at the Charter School. At June 30, 2014, accounts payable and accrued expenses included approximately \$8,000 pertaining to these related party transactions.

**5. CONTRIBUTED SERVICES AND SPACE**

The Charter School utilizes certain facilities provided by the New York City public school system at no cost. The fair value of the cost savings associated with such arrangement which totaled approximately \$57,000 for the year ended June 30, 2014, is recorded as contributed space and is recognized as revenue within state and local grants, and also included within expenses in the statement of activities. The school also utilizes certain transportation and food services provided by the New York City public school system at no cost. The Charter School is unable to determine the fair value for these services, and as such this is not reflected on the accompanying financial statements.

**6. CONCENTRATION OF REVENUES**

The Charter School receives a majority of its revenues from the New York State Education Department through the New York City Department of Education Office of Charter Schools. The New York City Department of Education provides general operating support to the Charter School based upon the location and the number of students enrolled. Operating support provided to the Charter School by the New York City Department of Education totaled approximately \$1,387,000 and \$0 for the year ended June 30, 2014 and six months ended June 30, 2013, respectively. The Charter School is dependent upon this level of funding in order to continue its operations.

**7. OBLIGATION UNDER CAPITAL LEASE**

A long-term lease covering equipment is classified as a capital lease. Accordingly, equipment is capitalized as leased property and amortized on a straight-line basis over the term of the lease. The corresponding obligation under the capital lease represents the present value of the rental payments discounted by interest rates implicit in the lease agreement.

Annual payments subsequent to June 30, 2014 follow:

<b>Year Ending June 30,</b>	
2015	\$ 4,812
2016	4,812
2017	4,812
2018	4,812
2019	<u>802</u>
Total	20,050
Less: interest	<u>(1,706)</u>
	<u>\$ 18,344</u>

**8. PENSION PLAN**

The Charter School has a defined contribution plan (the "Plan"), administered by T Rowe Price, for all full-time personnel. Contributions by the Charter School to the Plan totaled approximately \$21,000 for the year ended June 30, 2014 and \$0 for the six month ended June 30, 2013.

**9. COMMITMENTS AND CONTINGENCIES**

**Government Agency Audits**

The Charter School participates in a number of federal and state programs. These programs require that the Charter School comply with certain requirements of laws, regulations, contracts, and agreements applicable to the programs in which it participates. All funds expended in connection with government grants and contracts are subject to audit by government agencies. While the ultimate liability, if any, from such audits of government contracts by government agencies is presently not determinable, it should not, in the opinion of management, have a material effect on the Charter School's financial position or change in net assets. Accordingly, no provision for any such liability that may result has been made in the accompanying financial statements.

**Litigation**

The Charter School may be involved in various legal actions from time to time arising in the normal course of business. In the opinion of management, there are no matters outstanding that would have a material adverse effect on the financial statements of the Charter School.

**10. SUBSEQUENT EVENTS**

The Charter School evaluated its June 30, 2014 financial statements for subsequent events through October 30, 2014, the date the financial statements were available to be issued. The Charter School is not aware of any subsequent events which would require recognition or disclosure in the accompanying financial statements.

**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS AS REQUIRED BY *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of the  
**Icahn Charter School 7**

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Icahn Charter School 7 (the “Charter School”), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 30, 2014.

**Internal control over financial reporting**

In planning and performing our audit of the financial statements, we considered the Charter School’s internal control over financial reporting (“internal control”) to design audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express an opinion on the effectiveness of the Charter School’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Charter School’s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in the Charter School’s internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and other matters**

As part of obtaining reasonable assurance about whether the Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Intended purpose**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Charter School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Charter School's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

## REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of the  
**Icahn Charter School 7**

We have performed the procedures identified below, which were agreed to by management of the Icahn Charter School 7 (the "Charter School") and the New York State Education Department ("NYSED") (together "specified parties"), solely to assist the specified parties in evaluating management's assertion to NYSED that the Charter School has maintained compliance with the requirements of the Charter School Program ("CSP") grant and Federal and NYSED guidelines in managing the CSP grant during the year ended June 30, 2014. The Charter School's management is responsible for compliance with the requirements of the CSP grant and Federal and NYSED guidelines in managing the CSP grant.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified parties. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed and our results are as follows:

**Procedure #1:** We obtained the detail of expenditures incurred for the year ended June 30, 2014 relating to the CSP grant from the Charter School's accounting software and reconciled to the grant revenue recorded by the Charter School.

**Result:** No exceptions noted.

**Procedure #2:** We obtained the NYSED approved CSP grant award information, including the budget and any amendments. We compared budgeted amounts, pro-rata if applicable, by code sub-total, to the actual expenses incurred for the period obtained in procedure #1 and noted whether any variances exceeded 10% where total expenditures exceeded budgeted amounts.

**Result:** No exceptions noted.

**Procedure #3:** We selected a sample of expenditures from the detail obtained in Procedure #1.

- a. Payroll – We selected 10 items or 10% of the total number of payroll items charged to the grant, whichever was less.
- b. Other expenses – We selected 10 items or 10% of the total number of other items charged to the grant, whichever was less.
- c. Using the above selected items, we:
  - i. Determined if the expenditure was in accordance with the purpose of the grant by reviewing NYSED guidance on acceptable use of CSP grant funds and that pre-opening expenditures were charged to pre-opening periods.
  - ii. Determined if the expenditure was included in an approved budget category.
  - iii. Determined if the expenditure was charged to the appropriate fiscal period.

**Result:** No exceptions noted.

**Procedures #4:** We obtained FS 25 form(s) submitted to NYSED during the year ended June 30, 2014 and performed the following:

- a. Compared expenditures selected in Procedure #3 to requests for reimbursement. Determined that items requested for reimbursement had previously been expended or were expended within a month following the request for reimbursement. If items had not yet been requested for reimbursement, we inquired of charter school officials as to the plan for requesting reimbursement, and determined if a receivable was recorded in the general ledger, if appropriate.
- b. If FS 25 forms included amounts on Line 4 (Cash Expenditures Anticipated During Next Month), we selected one FS 25 and determined if funds were expended within 1 month following the date of the request.

**Result:** No exceptions noted.

We were not engaged to and did not conduct an examination, the objective of which is the expression of an opinion on the Charter School's compliance with the requirements of the CSP grant and Federal and NYSED guidelines in managing the CSP grant. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of Icahn Charter School 7 and the New York State Education Department, and it is not intended to be and should not be used by anyone other than the specified parties.

# Appendix E: Disclosure of Financial Interest Form

Created Monday, July 07, 2014

---

## Page 1

An Appendix E: Disclosure of Financial Interest Form must be completed for each active Trustee who served on the charter school's Board of Trustees during the 2013-14 school year. Trustees are at times difficult to track down in the summer months. Trustees may complete and submit at their leisure (but before the deadline) their individual form at:

<http://fluidsurveys.com/surveys/vickie-smith/appendix-e-trustee-disclosure-form/>. Trustees may download and/or email their forms to you upon completion.

Trustees who are technologically advanced may complete the survey using their smartphones or other mobile devices by downloading the this bar code link to the survey <https://fluidsurveys.com/account/surveys/540612/publish/qrcode/>. (Make sure you have the bar code application reader on your phone).

If a Trustee is unable to complete the form by the deadline (i.e, out of the country), the school is responsible for submitting the information required on the form for that individual trustee.

Just send the links via email today to your Trustees requesting that they each complete their form as soon as possible.  
Thank you.

Yes, each member of the school's Board of Trustees has received a link to the Disclosure of Financial Interest Form.

Yes

Thank you.

## I. Enrollment and Retention Targets

ICAHN 1-7 has undertaken efforts throughout the charter period to attract and retain students with disabilities and English language learners. During the student application process, school literature in both English and Spanish is distributed throughout CSD 9 for Icahn 1, CSD 11 for Icahn 2-5, CSD 9 for Icahn 6 and CSD 8 for Icahn 7. Specific community outreach efforts and interactions with local schools serving significant relevant student populations are carried out.

Provisions for the attraction and retention of students with disabilities and English language learners are contained in the ICAHN 1-7 Student Enrollment and Retention Plan, which was designed to facilitate the meeting or exceeding of enrollment and retention target student populations established by the SUNY Trustees for:

- Students with disabilities,
- Students who are English language learners
- Students who are eligible to participate in the federal free and reduced-price lunch program.

**Recruitment** - Formal recruitment of prospective students with disabilities and those who are English language learners (ELLs) begins each year on February 1<sup>st</sup>. ICAHN 1-7 advertises an open registration process in the English and Spanish languages. If they choose, families of these students can meet with ICAHN 1 staff members and review the expectations of the school. ICAHN 1-7 maintains a policy of equitable admissions access to all students in every phase of its admissions process. ICAHN 1-7 shall not discriminate against any student based on race, ethnicity, national origin, gender, or disability or for any other basis that would be unlawful for a public school. Icahn 1 shall be open to any child who is eligible under the laws of New York State for admission to a public school, and ICAHN 1-7 shall ensure compliance with all applicable anti-discrimination laws governing public schools, including Title VI of the Civil Rights Act and Paragraph 2854 (2) of the New York Education Law, governing admission to a charter school. New students will be admitted each year without regard to prior measures of achievement or aptitude, athletic ability, disability, handicapped condition, ethnicity, race, creed, gender, national origin, religion, or ancestry. Interested families will submit applications during the period between February 1<sup>st</sup> and April 1<sup>st</sup>, at which point students will be accepted. If the number of applicants to ICAHN 1 - 7 exceeds capacity, a lottery or a random selection process will be conducted. The lottery will be held within the first week of April.

**Outreach** – ICAHN 1-7 will undertake the measures below, among others, to recruit student applicants, including students with disabilities and English language learners (and will provide translation services, if necessary, for all promotional materials and any person-to-person interaction requiring an English translation):

- (1) Posting flyers and placing notices in local Spanish language newspapers, supermarkets, churches, community centers, apartment complexes, and local daycare centers
- (2) Conducting open houses at after-school programs and youth centers;
- (3) Visiting local organizations in surrounding neighborhoods, speaking at community meetings and distributing information packets; and
- (4) Canvassing neighborhoods to further reach interested families.

Specific measures will be designed and implemented to reach parents for/of:

- Whom English is not their primary language
- Students with disabilities
- Students who would qualify for free or reduced-price lunch
